11. IDENTIFICATION

In all categories and classes :

The frames will be marked at the technical checks and will be identifiable at any time with the race number of the competitor. All the welded parts around the engine, which support the steering and the rear suspension mechanism, are considered as parts of the frame.

Only the markings made by the Technical Stewards at the checks will be effective. Any motorcycle which will not have the frame marked or which will have a marking without its race number during the trial, will be excluded from the race.

Also the engine fitted on the vehicle as well as the possible spare engine and other parts will be marked, depending on categories.

Supplementary Regulations of SARDEGNA RALLY RACE 2014

The absence or falsification of an identifying marking (sealing, paint or lead), will lead to the exclusion of the competitor from the race.

However, heavier penalties could be inflicted by the F.I.M. (Code Disciplinaire et d'Arbitrage).

During the checks the competitors will receive a pectoral, stickers with their race number as well as the publicity of the Organization and an identification bracelet in order to be admitted to the meals and the prize-giving.

The competitors' identification will be methodically made by the Organization at each bivouac.

Any participant must show his identification bracelet when requested by the Organization. Any non-observance verified by an Official will result in a penalty of € 250,00. The bracelet must be kept until the prize-giving.

The Competitor's Relation Officer, who will stay on the PC Course, will keep some spare plates, stickers, pectorals and bracelets during the whole Rally, and the competitors should request them in case of loss or deterioration.

12. ADVERTISING

During the checks the competitors will receive a pectoral and stickers with the race number as well as the Organization's advertisement (see scheme).

The competitor must leave the space to put on his vehicle the above mentioned stickers and advertising. Should the vehicle have not enough place, the competitor must foresee it before the technical checks; any modification of the stickers cancelling sponsors (cutting, trimming, etc.) is not allowed.

The pectoral cannot be cut nor modified and cannot be hidden with elements like camelbag. In any case, the upper edge of the rear pectoral must not be more than 20 cm. far from the competitor's neck.

14. ROAD BOOK AND NAVIGATION

The road book, descriptions, legends and descriptive maps of the first leg of the race will be given to the riders during the administrative checks.

Then the road book of the following legs will be daily delivered, from 5 P.M till 7PM. The riders who will arrive late to the bivouac have to go to the secretary race.

The day before the stage an open track will check the notes of the road book and possibly complete with some hint of danger or direction. Any correction will be posted on the notice and notified in the briefing. In any case it do not give more precise notes, corner-by-corner, hole-to-hole.

The information given by the route opening team will be communicated to riders during the briefings and by additive.

14.1 SPECIFIC ASSISTANCE AREAS IN THE SS

15. FUEL / AUTONOMY

15.1 AUTONOMY

During an SS, the organiser will provide fuel at 150 kilometres maximum.

15.2 FUEL

A CP will precede each refuelling. After having given in their time card, riders must take his machine to the refuelling truck. Fuel will be distributed in order of arrival at the CP.

16. TRAFFIC

- Riders

Along inhabited areas crossed in the liaison sections as well as along the Specials, the speed will be strictly limited to 30 km/hr, or less, if specified by the local signal panels. All areas, which are considered dangerous for riders and for local inhabitants, will be indicated in the road book.

- Assistance vehicles

The speed of all assistance vehicles in crossed cities and villages, following the assistance road book, will be limited to 30 km/hr, or less, if specified by the local signal panels. Overtaking is also forbidden. The Organizing Staff will make controls and the International Jury can decide penalties

16.1 MARATHON STAGE

A marathon stage will take place during the stages 2 and 3. In this occasion, pilots

will have the possibility to change their tyres only during the assistance point of each day (at the middle of the stages), but won't have this possibility at the end of stage 2. At the finish of the stage 2, competitors will put their bikes directly in Parc Fermé without possibility to do interventions on their bikes.

17. INSURANCE

17.1 CIVIL RESPONSIBILITY

The entry rights include the insurance premium which guarantees the civil liability of the competitor towards third parties.

The Organization has taken out a civil liability insurance policy for sporting event in accordance with the Legislation.

The amount of the gross premium is € 3.098.741,39.

The contract will guarantee the financial coverage of damages caused to a third party by the Organizer or by the competitors.

The insurance will take effect from the moment the vehicle enters the area of the technical and administrative checks and shall cease on 12TH June 2014 at 11.59 p.m.

In case of abandon or exclusion from the race, the insurance will expire automatically at the end of the same leg.

The time of abandon or exclusion will be that of T.C. closing at the end of the leg.

In case of accident, a competitor or his representative, must write a declaration, at the latest within 12 p.m., to the Clerk of the Course or to the Official responsible for the relations with competitors.

This policy does not cover:

- the responsibility towards third parties for those competitors who are not holding an international Cross-Country Rally W.C licence
- the responsibility of the competitor/driver towards other participants to the Rally.

The participants and competitors undertake to enter the SARDEGNA RALLY RACE 2014 with the awareness of the Supplementary Regulations of Sardegna Rally Race 2014 risks of the competition.

The competitors and pilots undertake to release the Organizers and the Officials of the Course from any civil and penal responsibility in case of physical or material accident occurred during the SARDEGNA RALLY RACE 2014.

The above mentioned insurance contract does not cover, in any case, theft of vehicles, spare parts, etc. In case of theft in the countries crossed by the Rally, the Organizer will not have any responsibility.

The Organizing Committee refuses any responsibility:

- on the consequences coming from any violation of laws, regulations and ordinances of the country, made by the participants and that will be exclusively at their charge,
- in case of cataclysms, rebellions, demonstrations where the participants and the crews can be victim and whose material, pecuniary and sport consequences must be at their sole charge.

The assistance, press or V.I.P. vehicles, also having the relevant plates, in any case, cannot be considered as participants to the Rally and therefore they are not covered by

the civil responsibility insurance policy of the Rally. THE ABOVE MENTIONED VEHICLES ARE UNDER THEIR OWNER'S RESPONSIBILITY.

17.2 REPATRIATION FOR HEALTH REASONS

Art. 080.3 Repatriation is a cost of organizer

According to the new FIM rules rider repatriation is not include in his licence. The organiser will provide medical repatriation insurance for injured riders, from the place of the accident to his home

17.3 PERSONAL ACCIDENT INSURANCE

It's strongly recommended to the competitors to undersign complementary insurances with their own insurance Company.

18. ADMINISTRATIVE DUTIES

18.1 EACH RIDER

The only riders who are authorized to go to the administrative control and technical inspections for the FIM World Championship and FIM Prize events are the ones who complies with Art.80.7.1

The technical, administrative and sports scrutineerings will take place on 07 June starting from 8.00 a.m at the "HOTEL LI SCIAELDI in SAN TEODORO" till 15.30

Each competitor will receive a convocation with the exact time when he has to present his vehicle to the Officials and Controllers responsible for the checks.

The failing of the competitor's presence at the convocation time will lead to a 1 minute penalty for the first hour of delay and to 10 minutes penalty for each following hour.

A time control will be placed at the entrance and at the exit of the administrative checks and at the entrance of the technical checks.

The vehicles which will not be in conformity or suitable with the rules of the race during the technical checks, could be changed of class or will be refused at the start (decision taken by the Panel of the Sporting Stewards).

In this last case, the entry rights will be held by the Organization.

At the end of the technical checks, all the motorcycles will be kept in Parc Fermé.

18.2 EACH MOTORCYCLE

must be presented at the administrative and technical checks with the following original documents:

- Valid log book or plate certificate (temporary number plates are not accepted). Temporary plate certificate will not be accepted (International Customs Convention).

- Homologation file or commercial catalogue for Production and Marathon motorbikes.

NEITHER PHOTOCOPIES NOR DECLARATIONS WILL BE ACCEPTED IN CASE OF LOSS OR THEFT OF THE ABOVE MENTIONED DOCUMENTS.

19. CLASSIFICATIONS

19.1

The arrival and the finish line of the race will be in San Teodoro, on the podium in San Teodoro's main square.

After the podium bikes must be in Pac Fermè, the parc fermè will open after the publication of final result plus 30' (delay for protest).

The different classifications will be posted up every day at the bivouac, at the P.C. Course. The official classification of each leg will be posted up on the official notice-board not later than 1 hour after the arrival of the last motorcycle. It will become definitive two days later, after the start of the first pilot.

Being this result final and definitive, for what concerns the elements being used to establish it, these elements and them alone cannot then be subject of any further complaint after the official classification posting at the end of the race.
